

Westview Baptist Church

“people learning to live Jesus' way”

www.westview-baptists.info

28th October, 2012

Our purpose is to bring glory to God. We will do this as we:

1. are transformed by enjoying Christ;
2. love by serving others; and
3. proclaim Jesus by faithfully living in a fallen world.

Teaching Series - Romans

Romans 2:1-16 helps us understand the desperate position from which we were saved. The judgement of God is inescapable and righteous. Justice will be done and will be seen to be done. Based upon how we have lived our lives, God's judgement will be without favouritism or partiality. It would be a most depressing and hopeless situation without the gospel message.

Family News and Prayers

Good news for the Burmon family with Paul reporting that Christina is ok after her operation. She was in for the day and the surgery went well. She did suffer some pain after so pray that test results would be positive and that the wound would heal quickly.

HSC exams for Bethany: the second last exam will be next Thursday (Extension History) with the last exam, Community and Family Studies, the following week on Wednesday.

Matt and Becky newsletter is available on the information table or [online](#). They invite us to pray with them with regarding their future. MAF are discussing with them other possibilities apart from returning to PNG. Keep them in your prayers.

Four years ago last Thursday, Gabriel, Riok, Martha and Aduk (Gabriel's younger sister) arrived in Australia. It was only a matter of days before he turned up on Sunday

morning. Some time later, Gabriel returned back to organise Ajar's return with him. With Martha, we thank God for this family and Gabriel is very excited about becoming an official, true blue, Aussie!

Keep Allan in your prayers as he has his bowel operation. This will lay him low in his recovery. Pray for healing.

Working Bee

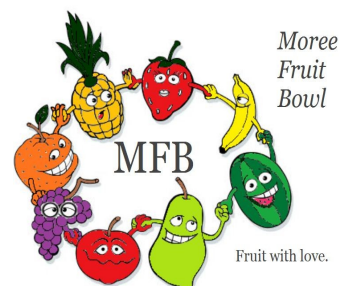

The property does need regular maintenance. Come alone and lend a hand by spend a few hours as we do the jobs around the property that need to be done. Saturday, 10th November at 9am!

WRAP Meeting

The minutes from the last meeting will be available [online](#) or can be found with other information on the way in.

Mission Evening

Last Sunday evening Pip Minor spoke over a meal about her mission work in Cambodia. The work reaches out to locals at Poipet, the north/west area of Cambodia on the border with Thailand. Through emergency relief and organising sports, Pip and her team have many opportunities to share the message of Jesus. Further information can be found on the Global Interaction [website](#), including information on [how to support Pip](#).

New Church Directory

It is time to prepare a new church directory for a new year in 2013! JJ and Soona are going to start collecting information for the directory. The directory is more than just a list of people, it is a useful tool to use in your prayers for each other. This will be the first time that our directory will include a photo of family groups, which helps new people know “who is who”. Over the next few weeks, you might be asked by JJ the details that you want to have published and perhaps a few quick facts about yourself. This is totally voluntary and only the information you wish to provide will be published. So be prepared to be shot (with a camera) and think about the contact details that you are happy to provide.
