“people learning to live Jesus’ way”

15th September, 2013

Our purpose is to bring glory to God. We will do this as we:

1. are transformed by enjoying Christ;
 2. love by serving others; and
 3. proclaim Jesus by faithfully living in a fallen world

Transformed by Enjoying Christ

Teaching Series - What we believe - 9. What will happen at the end?

Today is the last of this series where we have been looking at our statement of faith as we reflect upon the truths of scripture which we hold as important. In today's teaching, we are going to look at what will happen at the end of time. It is important for a good understanding of this to give us hope and assurance for the future.

Next week will be Baptist World Aid “Be Love” Sunday as we consider how we can help the world's poor. The week after that is Question Box Sunday so if you have a question you can place it anonymously in the giving box or email them to Tony.

Love and Service

Family News and Prayers

Just a reminder that the Eldership are still seeking any comments or thoughts regarding the question posed at the last WRAP meeting [“Do the Westview community believe that JJ’s character, attitude and abilities are consistent to that of an Elder described in 1 Tim 3:1-7; Titus 1:6-9?”](#) Please have a word with the Elders if you would like to make comment. We are looking for comments before the next WRAP meeting on 20th October.

Bob has received good news from the doctors regarding his latest drug therapy for cancer. It appears that the treatment has had a very positive effect. He said, “Having such a church family is beyond words; what a blessing you are.”

Colin and Pudge have a new home phone number. Please note the change in your church directory. The new number is 9625 9085.

John would like people to know that the FGB dinner is on 16th September. Please see him for more information.

Living Faithfully in Our World

COBIS

At the most recent COBIS AGM, Tony stood down from his place in the committee. It has been something he has spoken about with the Elders and it seemed to be the right time. It was uncertain who would take up the Chairperson’s role. To ensure the continuation of COBIS, our Lee Arundel volunteered and was unanimously voted in. Pray for the committee in that transition. The committee are seeking, over the next two months to broaden the number of supporting churches

and increase the financial giving. Please pray that God might open up many doors and wallets to ensure the long term viability of the work.

Walk to Water

A very big thank you to everyone involved in the Walk to Water. As of bulletin printing we had 20 walkers & \$755 sponsorship online & much more being collected in person. It's not too late to sponsor an individual or the whole group online at <http://walktowater.org.au/walk/89> or in person. We will give an update of the total in next few weeks when all sponsorship money has been banked. Again thank you so much for getting involved and being so generous for a great cause.
