## *Transformed: Emotional Health*

**What place should our emotions play in our lives?** Should they guide us? Or are they unimportant, irrelevant and even wrong? What does God think about emotions?

This week we turn to another topic in our series 'Transformed': Emotional Health. We will think about the place that emotions play in our lives and the **extremes that can be unhelpful.**

Come and join us this Sunday as we think about **right and good expressions of our emotions.**

## DOONSIDE HIGH: Update

Thanks so much for your prayers for Scripture at Doonside High School. This week we had around 30 year 7 students over two classes in which we helped them see that the Bible is lots of different stories that are all part of one big story that points to Jesus. **It is all about Him.** Pointing to Him.

Please continue to pray for us to **build good relationships** and for the kids to come to **understand the gospel** and **respond** by trusting Jesus as King. Thank you so much!

### Scripture Union Fundraiser

## Elders Meetings Insight

Every week during the school term the Elders meet together (every second week is with the Deacons also). During this time **we discuss, think and pray about things in the life of the church**, including spending time discussing the teaching for the coming Sunday.

This week during our Elders meeting we discussed pastoral issues as well as the vision of our church, and we thought about the upcoming talk on Relational Health among other things. We prayed for one another who are in the care of the church and for people in our church community.

We want you to know that we **value** each one of you and invite any **concerns, feedback or desires for prayer to be directed to the Elders**. We value your prayers for us in this role.

**We are here to serve you!**
