WESTVIEW

WESTVIEW'S 40th ANNIVERSARY: NEXT Sunday 5th August!

Next Sunday August 5th we will be celebrating 40 years since the start of our church community. This will be a significant Sunday gathering in the life of our church as we **look back with thankfulness and praise to God** and continue **to press on forward** as we seek to be and to make passionate disciples of Jesus for His glory.

If you are able to join us next Sunday that would be wonderful. Our service will be **followed by lunch and fellowship together.**

If you would like to bring something to share with everyone, **please bring foods that don't require heating—thanks.**

WONDERFUL PROVISION: Children's Ministry Teacher (Sunday School)

We give thanks to God for His provision of Gretchen who has sensed His call for her to be involved in this wonderful ministry of teaching our children His Word of truth. **Gretchen will this week have completed all the requirements** in order for her to be involved in this ministry. We are so thankful to God that as we have prayed and made this need for more teachers known He has provided. We thank Gretchen for all the effort she has put in to do the safe spaces training, online modules and WWCC behind the scenes.

Please continue to pray for Connie and Gretchen as they give themselves to serve in this important ministry to our children! If you have any questions regarding this ministry please speak to Connie, JJ or Lee.

Some Helpful BIBLE RESOURCES for 'Growing in Passion'

These are some of the resources that I use regularly. 1, 2, and 4 are also available as apps on your smartpone.

1. ESV Study Bible (www.esv.org)

You can purchase the physical study Bible from Koorong and you will get a digital version for free, so you can use it on the app. I think there is also a very similar version for free when you sign up called 'Global Study Bible'.

2. NET Bible (<https://net.bible.org>)

The app is called 'Lumina'. I also use another app called 'Bible by Olive Tree' which gives you a lot of versions of the Bible for free and you can buy the NET Bible with full notes on that app for around \$10, so I use it in that APP.

3. www.desiringgod.org - Free Videos Online

A website that myself, Tony and Lee have found tremendously helpful over the years and would highly recommend. Often I will google something, eg. 'desiringgod the holiness of God' and often I find something very helpful and biblically informative on the topic/theme.

4. www.thebibleproject.com/ - Free Videos Online

This is another great site with videos on different books and themes of the Bible, which we have used a number of times with teaching series at church.

CHURCH PLANTING TARGET GROUP Sunday 12th August @ 7pm

Sunday the 12th of August is our next Church Planting target group meeting. We are coming together to continue in prayerful dependence upon our God as we discern and **pray for God to raise**

up a team and **show us a location** to plant in. We continue to look to Him for the details as we move to prayerfully search them out.

CHURCH OUTREACH MINISTRIES To Pray For:

Please continue to pray for our church outreach ministries that are back or almost back for the semester:

*SCRIPTURE IN SCHOOLS:

Doonside Public school- Mondays

Crawford Public and Doonside High schools- Wednesdays

***FRIENDSHIP GROUP-** Wednesdays

***WIGGLING WOMBATS PLAYGROUP-** Thursdays

Please pray that God would **strengthen the workers** in these harvests, that He would **raise up more workers** and that He would **bring about fruit for His glory**. If you are interested in being involved in one of the above ministries or another form of outreach please speak to JJ or Lee.
