WESTVIEW  
REVIEW AND  
PLANNING

### *Interested in being involved in a One-2-One Discipleship group?*

We have been focusing this year on forming one-to-one discipleship groups (pairs) to meet together in **“intentional relationships focused on learning and embracing eleven practices essential to following Jesus Christ.”**

We thank God that we have more than 15 groups that are already meeting together or are set to do so soon. The leadership really believe in the benefit of these intentional relationships that seek to **come around God’s word together and share life in order to grow as passionate disciples of Jesus.** Those who have been involved have spoken about the great blessing it has been for them.

**If you are interested and would like to learn more please speak to the Elders or Deacons.**

## ELDERS & DEACONS MEETINGS to Include Sam and Connie Once a Month

The Elders and Deacons have asked Sam and Connie to join our Elders and Deacons meeting once a month starting after the school holidays. **Our desire in this is to provide a forum where we can get insight into our youth and children's ministries and give input as well as to provide a platform for further leadership development and experience.** We want to see leaders raised for ministry, and we are so thankful for Sam and Connie and look forward to this opportunity.

### FORM Evangelism & Church Planting Conference

JJ, Jake, Beth and Sam will be traveling up to Anna Bay this Friday returning Saturday for a conference run by the Baptist Association on Evangelism and Church Planting.

Oscar Muriu from Nairobi Chapel who spoke at Westview last year will be there as well as Andrew Palmer from Global Interaction, Kelly Crawford Community Development Designer for the Association as well as a number of others who will be speaking and sharing over the two days.

**Please do pray that this would be helpful for all going and help us as a church in our pursuit to see a church planted for His glory.**

There is more information available here: [www.4m.org.au](http://www.4m.org.au)

### STAGE REMOVAL Plan

There will be the opportunity at the WRAP meeting next Sunday to discuss the proposed stage removal, however **can we encourage anyone who has not yet given feedback to do so via the Elders or Deacons before the meeting in order to seek to facilitate a better discussion and hopefully a better outcome.** A big thank you to those who have already done this.

## UPCOMING SUNDAY TEACHINGS:
