BAPTIST CHURCH
Making Passionate Disciples of Jesus

DO YOU WANT TO GET WELL?

JOHN 5:1-18

Is there an example of a stranger question than this in all the Scriptures? Jesus enters Jerusalem, purposefully visits a pool where it is well known that many disabled people congregate, and he engages in conversation with just one of them. And this is the question he asks a man who has been disabled for thirty-eight years: *"Do you want to get well?"*

Why this man? Why only him? Why not all of those gathered around the pool? Why not every person with any kind of disability, sickness, disease or affliction? What is it in this story that will help us believe that Jesus is the Christ and have life in his name?

What have you come looking for from God's word this morning to help grow your faith in Him?

Join us this Sunday from 9:30am as we look at this passage together.

CHURCH WELFARE LEADERS (Safe Spaces Concerns)

What is a Church Welfare Leader? **These are people in charge of handling all concerns/allegations of physical, emotional, and sexual harm or abuse in our church community.**

Our Church Welfare Leaders: JJ, Lee, and Lynne Kenning.

If you think someone is being abused, or if you have concerns that someone is engaging in abusive conduct, or if you have identified a situation that you feel is unsafe to vulnerable people, you can take your concerns to these nominated people and they will follow our procedures in handling it **confidentially and lawfully.**

Never be afraid to speak up. Let's work together to keep our church a safe and welcoming place for young and old.

SAVE THE DATE:

Westview Community Carols

3pm Saturday 15th December

Our church will be inviting the Wiggling Wombats Playgroup and others along to come and share in some food, carols and fun together on this day.

It would be a great blessing if you could come along and seek to get to know some of these families and another opportunity for fellowship with one another as we celebrate the coming of the King of kings.

More details will come closer to the day but for now please save the date.
For any more information or ideas for the day please speak to Becky.

WRAP Church Family Meeting: MINUTES AVAILABLE

If you were not able to make it to our church family meeting last Sunday after the service **the minutes are available online or on the back table.**

A big thank you to Trish for taking the minutes and to Lee for leading the meeting as well as to all who could stay and contribute, it was a long meeting but a significant time.

May God continue to lead us and guide us together as we seek to be and to make passionate disciples of Jesus for His glory.

CHURCH PLANTING TARGET GROUP

NEXT MEETING: Sunday 11th November 7pm

Our last Church Planting Target Group was a lovely and very helpful time as we **reflected on lessons learnt at the FORM Conference on church planting and evangelism** and as we sought to move forward in a helpful way in terms of especially identifying a core team of people to be sent.

If you would like to come along to our next meeting **please feel most welcome even if you have not previously come.** Either way, please continue to pray with us that God would bless this for His glory, and lead us and guide us individually as to **who He is calling to be sent and who will send others, as we seek to identify these people over the next 3 months.**

For more information please speak to the Elders or Deacons or anyone from the Church Planting Target Group.
